- ACO Easyflow gullies
- ACO Box channels – stainless steel hygienic drainage
- ACO Hydrojet RAE free-standing grease separator
- ACO Multi-PRO-PE-K pump
- ACO Lipumax P-DA grease separator

ACO Solution for facade

Line drainage of the façade and the surrounding areas is executed with ACO MultiDrain. The Red Dot Design and IF award winning grating is made of stainless steel and contributes to the aesthetic appearance of the architecture. At the same time – optimal drainage and comfort for pedestrians is provided.
